ERRATUM

In the review of "Malnutrition and Food Habits: Report of an International and Interprofessional Conference", which appeared in this *Bulletin*, 1962, v. 59, 1193, the sentence on line 10, p. 1194, which reads "for example, Margaret Mead is reported as saying . . ." should be altered to read "For example on p. 61, the statement is made. . . ."

It has been pointed out to the Editors of this *Bulletin* that the statement in question was not in fact reported to have been made by the contributor named. The Editors of this *Bulletin* regret this error, which arose from a misunderstanding of the method employed for identifying the names of the contributors in the text of the Conference Report.
